Interested in Blackpool’s Heritage and want to pass it on? Interested in meeting new people with similar interests? Interested in learning new skills and getting a nationally recognised qualification? then The Blackpool Heritage Champions could be for you!

What are the Blackpool Heritage Champions?
The Blackpool Heritage Champions are a group of specially selected and trained volunteers who are interested in and knowledgeable about Blackpool’s heritage and who are keen to pass it on to others.

How do I become a Blackpool Heritage Champion?
To become a Blackpool Heritage Champion you will need to attend the special training sessions which will be held between January and March 2010. You will also be expected to make a commitment to ‘give back’ an amount of volunteer hours over the next year to support and promote heritage in Blackpool.

What will I get out of it?
You will receive training to a nationally recognised standard which will include a number of core modules such as presentation skills and confidence, basic health and safety and the role of the volunteer. You will also have the chance to learn more about Blackpool’s unique past with visits, talks and tours.
